

Human Resource Mission Statement

To recruit, hire, train, support and develop the best and most qualified people, who comprise the human capital providing the services, creating the intellectual capital, and developing the structural capital that allow *Talgo* companies to exceed their goals and objectives.

Display

an attitude of teamwork, quality and enthusiasm in our day to day operations.

Create

an atmosphere which fosters challenge, fun, safety, and orderliness within a framework of proper priorities.

Seize

opportunities which allow us to demonstrate excellence, a caring attitude, and creativity.

Reduce

waste by vigorously supporting ISO 9001, Five S and the implementation of automated processes

Commit

to doing; to acting openly, equitably and consistently in our pursuit of uncompromising quality.

Encourage

participation in company and community activities while promoting an increase of knowledge, enthusiasm, and an improved quality of life for ourselves, our co-workers, and the communities in which we live and work.

Respect

team member values which may be different from our own through the promotion of diversity and understanding.

Accept

responsibility for promoting ethical and legal conduct in personal and business practices.

Communicate

in a clear, candid and fair manner with our team members from whom our company derives its strength and competitive advantage.
